The benefits of education and of useful knowledge, generally diffused through a community, are essential to the preservation of a free government.

Sam Houston.

Cultivated mind is the guardian genius of democracy. . . . It is the only dictator that freemen acknowledge and the only security that freemen desire.

Mirabeau B. Lamar.

PEOPLE'S LOAN LIBRARY

The Division of Public Discussion of the University Extension Department has established a Loan Library. Its special function is to aid in the work of the University Interscholastic League, and to assist schools, clubs, and individuals who do not have access to public libraries. No fees are required, nor is a formal registration necessary. The rules are very simple:

1. The borrower pays the postage both ways.
2. Libraries may be kept for two weeks, only.
3. More than three libraries on the same subject may not be sent to the same school or club, at the same time.

What Is the People's Loan Library?

This library consists of packages made up of clippings from magazines, pamphlets, and books all on the same subject. This material is fastened together with rubber bands, and filed in readiness to be mailed out upon receipt of a request for information.
